GE POWER SYSTEMS INDIA PRIVATE LIMITED

Dear Mr. Ankur Patel,

We are writing this letter to extend our appreciation towards successful completion of Fire line modification project Po No-7100055650 dated 16 OCT 2020 PO Value 6.3 MINR. The speed and transparency shown by you & your team for the completion of this project is truly commendable. The project was completed in very safe manner followed with all GE Safety Standards. We really appreciate your efforts and professionalism by which you have completed the project on time.

Similar way earlier, you have successfully completed following projects.

1. UPVC line for Filter water project.
2. Acrylic partition work for Covid safe distancing
3. Jointly Kaizen work for making Nylon net shutter.
4. Foot operated mechanism for the water dispensers & Sanitisers for Covid.
5. Hazard Hunt fabrication work.

We once again, would like to thank you and congratulate your team for hard work and dedication.

Wishing you all the best and good luck ahead,

  
Yours sincerely,
